<sup>1</sup> In denying the request for expedited review, the Board is not, at this time, passing on the merits of the Intervenor's request for review.

This case involves the Board's Final Rule on representation-case procedures, with which Acting Chairman Miscimarra disagrees for the reasons expressed in his dissenting views in the Final Rule. 79 Fed. Reg. 74308, at 74430-74460 (December 15, 2014) (dissenting views of Members Miscimarra and Johnson). In this case, Acting Chairman Miscimarra agrees with the denial of the Intervenor's request for expedited review and to stay the election, without prejudice to the Board's consideration of the Intervenor's pending Request for Review.
